WHY COMMUNITY EVENTS?

TO BUILD A BASELINE OF KNOWLEDGE BEFORE THE SUMMIT

- FLEET OPERATORS NEEDS
- WHAT IS FEASIBLE (TECHNOLOGY)
- COMMUNITY GROUPS CONCERNS

Also, identify potential fleets and disseminate AFV information

GRASS ROOTS EFFORT - Fill the seats

WHO ARE THE STATE-HOLDERS FOR THE COMMUNITY EVENTS?

- Congressman Serrano's Office & the Borough Presidents Office
- The Bronx Overall EDC & South Bronx Overall EDC
- Several Community and Local Development Corps
- Bronx Community College (Alt Fuels Program)
- NYC & NYS Departments of Transportation
- Harlem River Yard Ventures
- One utility and one local fuel distributor

RESULTS

- All Groups Represented at the Events
- Exchange of Information (Presentations & Networking)
- Several Projects
- Ad Hoc “Clean Fuels in the Bronx Group”
 - Still meets monthly to advance Clean Fuel Projects - Growing
 - Spin-off into a non-profit stand alone organization
 - Collection of expertise committed to Clean Fuel & The Bronx
 - The venue to progress projects: HP Study
